SOMANITY

SOMANITY

The logo for SOMANITY features the word in a bold, sans-serif font. The letters 'S', 'O', 'M', 'A', and 'N' are a teal color, while 'I', 'T', and 'Y' are a dark navy blue. The letter 'Y' is uniquely designed, with its right vertical stroke and the bottom horizontal stroke being dark navy blue, while the left vertical stroke and the middle horizontal stroke are teal. A stylized robotic arm, also in dark navy blue, is integrated into the left vertical stroke of the 'Y', with three circular joints visible.
